## Tommy Plans a Merry Xmas for Poor Kittens. But—

1. Although Santa Claus had been very good to little Tommy, he was unhappy because he could not help thinking of all the poor children who had no Christmas presents at all.

2. So he loaded up his toy cart with all the Christmas gifts he had received and went out to share his good luck with those who were not so fortunate.

3. To one he gave a drum, to another a ball, and to another a toy gun, and so on until he had nothing left for himself.

4. But instead of being grateful, the children began to quarrel and fight among themselves. Each one wanted some other present instead of the one Tommy had given him.

5. From words they came to blows, and when Tommy tried to separate them he was very roughly handled for his pains.

6. When the fight was over all the pretty presents were broken and the ungrateful children were no better off than before. But that wasn't Tommy's fault.
